

CURRICULUM SUBCOMMITTEE
AS PRESENTED W/ UPDATE SHEET
11/17/2010 Overview of Combined Curriculum

RECORDING SECRETARY NOTE FOR ID.

GRADE SCHOOL

- More art time
- Library skills
- More music time
- Possibly foreign language as part of gifted
- Both grade schools would have part time counselors available
- Both grade schools would have Title I reading and Math, with a possibility of team teaching with the Title I teachers in the classroom
- Arthur could add keyboarding to the 6th grade curriculum

JUNIOR HIGH

- Arthur could add a Windows and Careers class to the 8th grade
- Lovington and Arthur could add Foreign language
- Added specialized personel for individual subject areas

HIGH SCHOOL

- Add Photography (this is not currently on the Arthur schedule)
- Add one or two additional sections of PE to reduce or maintain the current class sizes
- An additional special education position would afford more flexibility for more student assistance
- Dual credit math classes of Tech Math, Pre-Calc, Calc, and Statistics
- Offer specialized math classes for those students who struggle with Algebra and Geometry

CURRICULUM

Art

- Art I
- Art II
- Art III
- Art IV
- Photography

Math

- Into to Alg
- Intro to Geometry
- Alg I
- Alg I 1
- Alg I 2
- Alg II
- Geometry
- Tech Math
- Pre-Calculus
- Calculus
- Statistics

English

- English I
- English II
- English III
- English IV
- English IV (nonweighted)
- Journalism/Paper
- Speech

Science

- Lab Science
- Life Science
- Biology I
- Anatomy/Physiology
- Environmental Science
- Chemistry
- Physics

History

- Current Events
- US History I
- US History II
- World History
- Psychology
- Geography
- Sociology/Law

Foreign Language

- Spanish I
- Spanish II
- Spanish III
- Spanish IV

Business

- Accounting I
- Accounting II
- Computer Concepts
- Information Processing
- Marketing/Web design
- Desktop publishing
- Business Technology and Procedures

Agriculture

- Intro to Ag
- Basic Horticulture
- Ag Mechanics

Family and Consumer Sciences

- Intro to Family and Consumer Sciences
- Child development
- Living Environments
- Textiles and Clothing
- Commercial Foods
- Adult Living and Parenting

Industrial Technology

- CAD (dual credit)
- Communications and Productions
- Transportation and Energy Utilization
- Construction Skills I
- Construction Skills II

This will not happen overnight.

These ideas are based on what students would find valuable.

** Dream Curriculum Additions **

G.S. Conversational Foreign Language
H.S. Public Speaking + Debate
Advanced Biology
Chemistry II
Microbiology

Jazz Band
Spanish V (if can get enough Spanish in JnK High)
Information Processing II
Horticulture II
Land + Turf Management
Ag Mechanics II
